PRESENTATION GUIDELINES

WHAT TO INCLUDE ON YOUR PROPOSAL

1- Problem Statement

What is (are) the pain-point(s) that your solution is tackling?
What is the opportunity that your solution creates to improve the current state?

Why is it important?

Why does Melco need to take action?

What are the implications for ignoring it?

How big is the problem?

Are you able to quantify the problem or opportunity?

Are there any trends or data to justify your point?

WHAT TO INCLUDE ON YOUR PROPOSAL

2- Value Proposition/Business Impact

How your proposal will improve Melco's business operations?
What are you the positive outcomes of your solution?

Financial

- ✔ Increase in revenue
- ✔ Decrease cost
- ✔ Maximize asset utilization

Strategic

- ✔ First mover advantages
- ✔ Anticipate potential threats
- ✔ Increase publicity and marketing opportunities

Operational

- ✔ Increase efficiency
- ✔ Reduce waste
- ✔ Optimize resources utilization

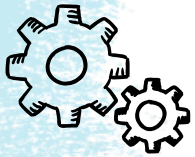
MELCO | aws

WHAT TO INCLUDE ON YOUR PROPOSAL

3- Differentiation

How is your idea different from the current solutions in the market?
What makes it innovative?

WHAT TO INCLUDE ON YOUR PROPOSAL



4- Operational Feasibility

How realist and scalable is your proposal?
Would it be technically and economically feasible to implement it?

WHAT TO INCLUDE ON YOUR PROPOSAL

5- Core Technology/Architecture

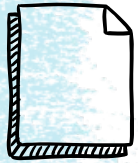
What is the key technology used for your solution?
Feel free to use wireframe, mock-up or demo videos.

WHAT TO INCLUDE ON YOUR PROPOSAL

6- Team Profile

Tell us about yourself
What is your name?
Where are you from?
What are the experiences/skills you have that are relevant to this proposal?

WHAT TO INCLUDE ON YOUR PROPOSAL



7- CV

Team members have the option to submit their CV for internship and full-time opportunities in HK

PRESENTATION TIPS

Visual Theme

Keep a consistent visual theme throughout your presentation.
Avoid using built-in PowerPoint design templates

Limit Text

Include only the necessary information.
Avoid text-heavy slides

Slide Layout

Add “white” or “negative” space.
The less clutter, the more powerful your visual message will be

MELCO
